## **Description:**

The inspiration for the Fifty armchair is clearly to be sought in the "Flag Halyard Chair". Dögg & Arnved designed a straight backrest to allow not only for rest but also reading. The woven 'ears' on each side of the headrest reinforce the general feeling of intimacy. The 350 metres of woven cord used is available in black or tobacco colour, set on a black steel structure. Fifty is designed to be used outdoors as well as indoors.
