Description:

The Plisy nautical cord handle is available in several colors and can be used to move the lamp from place to place like a lantern or on the wrist. Charge it up at home and take it to the park, to the beach or for a night walk. Use the handle to hang it as a wall lamp or place it on its base as a floor light. Diabla's Plisy is intended as a portable outdoor lamp, but you can also use it indoors.
