### **Description:**

Initially introduced back in 1938, Little Petra won instant praise at the Copenhagen Cabinetmakers Guild Exhibition, subsequently winning awards at exhibits in New York and Berlin. Surprisingly petite, able to fit into all kinds of spaces, interiors and environments. Low to the ground, open and embracing, it embodies the essence of a lounge chair, allowing for all kinds of seating positions in any cosy setting imaginable. A lot of work has gone into ensuring the utmost comfort, from the seat to the upholstery. The legs of the chair have been crafted in oak or walnut. By &tradition
